Applications close on March 31st 2025. All applications received are discussed by the Charity Board members, whereas a decision will be reached on who will attend.

All applicants will be notified in writing of their successful/unsuccessful application. This letter will outline the costs covered and provided by the Burn Support Group. Please be aware you passport must be up to date for travel at the time of your application!

The chosen representatives will leave Auckland as a group a day ahead of the beginning of Congress. Return dates will be discussed individually.

Within six weeks of your return, there is to be a written report of your experience submitted to the B.S.G. This could be published on the website and used as future resources.
