

Kia ora koutou. Welcome to this week's edition of ANCAD's *Community Pulse* – working together to build resilient, safer, connected communities.

## COMMUNITY SPOTLIGHT

The **Burn Support Group Charitable Trust** is an organisation whose mission is to improve the lives of burn survivors and lower the incidents of burn injuries.

**From the Burn Support Charitable Trust:** The Burn Support Group provides 4 Survivor Sunday events during each year. Our first taking place on the 13th March, this will be a wonderful chance for the burn survivors and their families to connect sharing tools and strategies that support the everyday issues relating to burn injuries. Also, children are invited where they can catch up from the Annual children's burn camp. For more information about the Burn Support Charitable Trust, visit their website.
