

BURN SUPPORT CHARITABLE TRUST

Thank you for nominating Burn Support Group as a chosen Charity for your fundraising event.

We are extremely grateful to be your chosen charity, but we do however firstly require notification in writing, of your planned arrangements.

Any and all promotional material, including social media, must be submitted to the board before being made public. The Charity requires a minimum of three working days notice for approval.

We are happy to take an active role in your fundraising efforts if you so wished and are open to suggestions on ways in which to support you, making available the Charity resources which can be requested via the office.

We acknowledge and are extremely appreciative of your generosity. I will be only too happy to supply the Charity number, logo and contact details upon receipt of your response. In acknowledgment, the Burn Support Group would like permission to promote the fundraiser through the website and social media pages.

Look forward to your response and feedback.
