Sugar Club Restaurant provides elegant affair

This year's Auckland Fundraiser Event was a new and exciting project. Burn Support Group thanks Jim Kayes for hosting what was a splendid evening at the stunning venue, Sugar Club, Sky City.

Along with Jim, the Charity was very honoured to have keynote speaker, Chef and Restaurant owner, Mr Peter Gordon, mixing and mingling throughout the night. Peter and Jim provided wonderful entertainment sharing their stories with witty banter and humbling honesty. All those that attended were treated to stunning views, an exciting and delicious menu with matching beverages all provided by the very talented staff working with Peter.

Inaugural Burn Survivor 'Men's Day Out' - 23 Nov 2019

Skipper Alan and wife, Michelle hosted a great day out on the sea for burn survivor males. Seasprite Charter Boats had the boys out bright and early on a wonderful day for fishing... as luck had it, the fish were biting!

This is the first Men's Day Out event supported by the Burn Support Group, with a great turn out of 11, along with Ambassador Jim Kayes, who joined the evening for a meal at Billfish Cafe. With the great positive feedback received it is fair to say this event will become an annual affair!

Look for the 2020 survey, date for the diary is 26 September 2020.

Burns Support Group wish to thank Seasprite Charters, Billfish Cafe and Harley Davidson Auckland for your generous contributions in the making of this event.

Successful 2019 Telemarketing Campaign partnered with Southern Stars Charitable Trust

A fantastic effort by Southern Stars team raising \$107,000.00 donated to the Burn Support

The pantomime, 'Aladdin', took place with many children and their families attending.

With young burn survivors, Jessica Marginson, Jack Dragivich and Grace Neil taking the stage to thank and acknowledge Southern Stars for this massive effort.

This amazing contribution will enable the Burn Support Group to continue supporting the burn community throughout New Zealand.

Annual Burn Camp 2020 (numbers have increased again this year), is an invaluable project giving young burn survivors the safe haven required to build on confidence, self-esteem, and most importantly have fun whilst building new relationships to last a lifetime.

An outstanding achievement which is truly appreciated. Charitable Trust.

Waikato Hospital gifted support from Southern Stars and Burn Support Group

Big thank you to the Burns Support Group Trust for fulfilling our Ward M7 wish list with items that will hugely support our burns patients and really help out our staff. The Trust was able to purchase for our Ward M7 team:

* A new Dinamap trolley that helps observe patients pre and post burns dressing changes and easily travels to each patient with a number of clinical tools.

* Jelly Bean switches – for patients that come in with hand burns that can't physically ring the call bell to get the staff attention. The Jelly Bean makes it easier for the patient to press it down, even with dressings on.

The total amount for the items came to \$5236.00, raised via the Trust's successful telemarketing campaign. This is incredible Burns Support Group Trust, thank you so much.
