

21 – 24 October 2020

Providence, Rhode Island, USA

Applications are open from 1 November 2019 to apply for 2020 Congress:

For the opportunity of a lifetime, submit your application letter sharing your journey including all relevant information on why you wish to attend the Phoenix World Burn Congress, along with details on how you propose to contribute back to the Burn Support Charitable Trust.

Burn Survivors, family members and volunteers are welcome to submit an application. All applicants must be over the age of 18. There is no restriction on applying more than once.

Applications close on 1 March 2020. All applications received will be discussed by the Trustees & Board members, and a decision will be made on who will attend.

All applicants will be notified in writing of their successful/unsuccessful application. This letter will outline the costs covered and provided by the Burn Support Group. Please be sure your passport is up to date for travel and all required information is received at the office within 2 weeks of notification.

The chosen representatives will leave Auckland as a group a day ahead of the beginning of Congress. Return dates for flying home from Congress can be at your discretion.

Within six weeks of your return, you will submit a written report of your experience attending the Phoenix World Burn Congress. This will be published on the BSG website. Please take into consideration you will be acting as a N.Z representative on behalf of the Burn Support Group, this involves commitment and expectations. Consider this prior to your application.

All applications to be sent via post or email, contact Michele Henry for any further enquiries: michele@burns.org.nz

We look forward to receiving your application.
